builder: **SAMPLE BUILDERS**

lot / job: **WEYCROFT**

from: | attn:

phase: load 4 of 6 | at:

materials included: THIRD FLOOR | PO:

qty	item	unit price	amount
	third floor or walk-up attic materials		
	before shipping any of these materials		
	(1) confirm with builder the actual area		
	to be floored, and the flooring material		
	(2) confirm with builder if non-structural		
	items such as ceiling joists and partition		
	walls will be installed		
	(3) this is a good point at which to check		
	for any leftovers from previous loads -		
	if any leftovers are available, consider		
	reducing the quantities listed here		

qty	item	unit price	amount
	suggested for budgeting		
	see notes at left before shipping this
